The information for the badge (company, name and photo) has to be supplied to the organization up to 30 days before the event.

If you lose the badge, please visit the Registration Area in order to cancel it and receive a replacement badge.

The discounts are only valid within the deadlines referred on the proposal.

### 4. Registrations with airplane tickets

In case of registration with airplane tickets, after the booking has been confirmed, each request for a change is subject to penalty.

### 5. Visa granting

The organization cannot, under any circumstances, be held responsible if an entry visa is not granted, or if the visa issue is late. In order to support administrative expenses and prevent eventual undue or illegal use of registration to SISAB PORTUGAL, the organization reserves the right to consider as credit for future events 50% of the amount paid by the participant, being another 50% considered as penalization and administrative expenses.

### 6. Cancellations

Every cancellation must be communicated necessarily in writing.

In case of cancellation of registration until February 14th, 2015, no penalizations will be charged.

From this date on and until February 22nd, 2015, inclusive, a 250 EUR penalization will be charged.

Starting from February 23rd, 2015, inclusive, no cancellation will be reimbursed, while the amount already paid by the client will be considered as penalization.

### 7. Reimbursements

The payment of reimbursements will be carried out 30 days after the end of the event, starting from April 04th, 2015, on conditions referred in point 6.

For this purpose, the client has to inform the following information: Beneficiary, Bank name and address, NIB, IBAN and SWIFT code.

**Common Point:** Considering the exclusively professional character of the event, the organization reserves the right to allow the access to the negotiations' space only to registered participants who remain at the event in order to participate as exhibitor or buyer of products and brands exhibited, according to exclusive criteria of the organization.
