AFRICA- ARAB FAIR HEALTH AND DEVELOPMENT

INTRODUCTION

The Kingdom of the Morocco will be honored to host the seventh edition of Africa – Arab Fair Health and Development from 19th to 23th March 2014 at the exhibition area in the Office of Fairs and Expositions of Casablanca - Kingdom of Morocco

This show is organized by the OFEC on the initiative of the Arab League and Commission of the African Union to the Arab League under the theme : Enhancing Africa Arab Cooperation in health and development

In conjunction with this event, conferences, round tables will address the state of the health sector in the African Arab area

The fair will be an opportunity for the presentation of new technologies in equipment hardware, furniture, consumable in the sector of medical, dental, biology and drugs

OBJECTIVES

- Developing the cooperation and partnership in the health sector between the African and Arab states
- Facilitate the diffusion of information, exchange of experience related to the health sector and the pharmaceutical industry between the African and Arab countries
- Create a platform for meetings between professionals
- Developing the investment between the African and Arab countries
- Enhance the knowledge, innovations in the medical domain
